"Mars Hill College is where I began my professional journey over 45 years ago, though I never dreamed of serving as its President. The experience was one of transformation, preparation and opportunities; all of which helped influence my journey. I hope, and it is our goal, to insure that MHC is still that kind of place for today's students."

-Dr. Dan Lunsford

Here's to the nights when the sand is your seat and the waves kiss your feet. Sweet summertime.

The Lord had said to Abraham

great, and you will be a blessing. I  
bless you, and whoever curses you I will curse: and all  
peoples on earth will be bless

# GIVING BACK

This Fall the incoming Freshmen class grouped together early one Saturday morning to volunteer at local churches and farms. The services they provided not only bettered the Mars Hill community but brought the class together and helped start the 2011-2012 school year off successfully.

"During the day of help I really didn't know what to expect. Once we got our assignment, we went off to the day care. I wanted to make the biggest contribution that I could so, I decided to cut grass. Afterwards, I realized the importance of helping others."

Kit Powell's metaphor for life as a Mars Hill College student-

"I dedicated the dauntingly steep climbs to big papers and performances, the hills to daily musical practice sessions and homework, and the dips and bumps in between to my own personal ebb and flow. Each run I completed solidified my ability to succeed in all parts of my life."

# STUDENT AMBASSADORS

Brittany Hazeldine

Being a Student Ambassador is the best! It's so fun to meet students who are about to start the crazy journey known as college and share with them how absolutely amazing Mars Hill is.

Being an ambassador has been a great experience for me. I love getting to know new and potential students and having the opportunity to share my knowledge and experiences with them in order to help give them a better start to their college career.

Megan Trasport

It's an great opportunity to get to talk to prospective students and tell them all the reasons I love this college.

Shelby Johnson

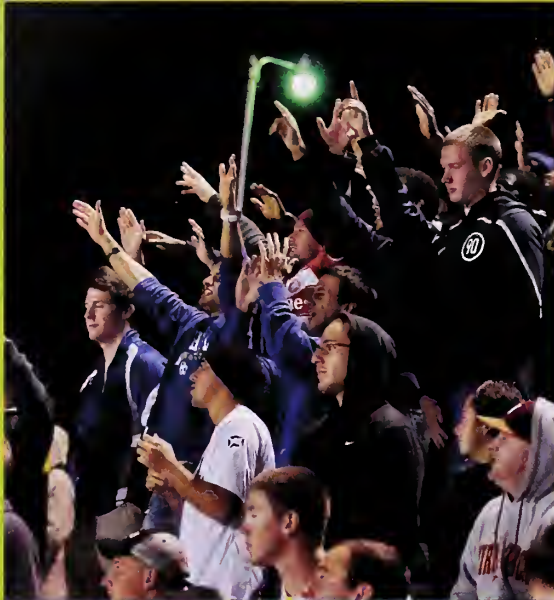

I love being an ambassador because it gives me a chance to show and tell other people the things I love about Mars Hill and it's also a good way to make connections with new people. It's not always about what you know but about who you know.

Andre Nichols

## THE BOYS OF FALL

*The most significant day this season was the day it rained in camp. It poured while we were outside. Period. Everybody got soaked and had a great time.*

*-Jonas Randolph*

This season has been full of defining moments in our program's history. An overtime goal line stand to win by a field goal at Catawba, the fourth quarter comeback to beat Wingate for homecoming, and the second half defensive struggle to outlast Newberry are some of the more memorable ones. This culminated with the win over Carson Newman to clench the South Atlantic Conference title. We were picked to finish 7th in the conference this year and now we have a bye to the second round of the playoffs. Our national ranking and success this year has been made possible by the hard work and dedication of the players and this coaching staff. It has been honor to be a four year starter and I am proud to be a member of this 2011 squad.

# WOMEN'S SOCCER

## SCORING GOALS AND CHANGING LIVES

This Summer the Women's Soccer team journeyed to Jamaica. There they trained, played, dived deeper into the Word and brought a little hope to those less fortunate. Many described the experience as life changing. The trip allowed the team to bond and develop important skills on and off the field.

The girls volunteered at an orphanage; playing soccer, taking pictures and enjoying the limited time they had. Throughout their trip the girls realized how blessed and grateful they were for the simplest things. This realization helped the team throughout their successful year.

The Men's Cross Country collected their fifteenth conference title under the coaching of Mike Owens and Bradley Nagel. This season the team welcomed seven new freshmen. One of them, Reece Riden, a native of Georgia, was named to the All Conference Freshmen Team. Another great asset to the team is returning senior runner, Justin Gragg. Placing sixth overall at conference, he also captained the team. Congratulations boys on another incredible season!

Swimming has been a huge impact on my life and I was very happy to keep pursuing my swimming career in college. I was able to set goals and achieve these goals with the support of my family and friends. Mars Hill swimming has been a great experience over the past four years and I have been able to develop life long friendships with my teammates.
